Statement

A—Concessions/facilities extended by RNI

1. The classification nccms of the Small, Medium and Big newspapers have been revised with effect from 1.4.89. A newspaper/periodical with a circulation of upto 25,000 copies pet publishing day is categorised as small. The limit hither to was 15,000 copies per publishing day. The publication with a circulation of more than 25,000 copies and upto 75,000 copies per publishing day are now classi fied as Medium. Earlier the limits were more than 15,000 copies and upto 50,000 copies per publishing day. Similarly, the norm for a big newspaper is now a cir culation more than 75,000 copies as against more than 50,000 copiejs per pub lishing day earlier.

2. Normally a newspaper must be registered with the RNI before it is allotted newsprint. A provision has been made from 1989-90 to release newsprint to newspapers even prior to their registration provided they get themselves registered with the RNI within three months of the date of the release' of authorisation.

3. Regular newspapejrs with am annual entitlement of 200 MT of newsprint are given the option to take imported newsprint to 100 per cent extent.
